BODYWORK THERAPY IN THE	:	
STATE OF NEW JERSEY	:	

This matter was opened to the New Jersey State Board of
Massage and Bodywork Therapy ("Board") upon review of Crystal L.
Aprile's application for licensure. Upon consideration of the
application and the results of the Criminal History Background

Check, it was ascertained by the Board that although the applicant had indicated she had no arrests in response to the questions relating to arrests on the application, she had been arrested on or about September 7, 2006 on charges of possession of a controlled dangerous substance or analog and possession of drug paraphernalia. The applicant was admitted into a diversionary program, and the charges were ultimately dismissed on January 14, 2008. Ms. Aprile was also arrested on August 17, 2009 and charged with simple assault. The charges were dismissed on March 25, 2010. The applicant claimed she did not disclose the arrests because she believed that if the charges had been dismissed, they had been expunged from her record.

The Board finds that respondent knew or should have known that by failing to disclose the two arrests on the application in response to the questions about arrests and/or convictions she was providing inaccurate information, and that she therefore engaged in misrepresentation on her application in violation of N.J.S.A. 45:1-21(b).

The Board finding that licensure as well as entry of the within order are appropriate, and sufficiently protective of the public health, safety and welfare, and for other good cause shown;

IT IS ON THIS 26th DAY OF July, 2013

HEREBY ORDERED AND AGREED THAT:

1. A \$100.00 civil penalty is hereby imposed upon respondent for the violation of N.J.S.A. 45:1-21(b). Payment shall be in the form of a certified check or money order, and shall be submitted along with this signed order.

2. The applicant's application for licensure shall be granted upon payment of all applicable fees and demonstration of satisfaction of all requirements for licensure, if she has not already done so.
